

Outreach Shortlist

This is the daily working list for opening LinkedIn profiles quickly.

Near Directory remains the source of truth for verified profile facts. Outreach CRM remains the source of truth for interaction history. This shortlist is only a convenience view.

Next Contacts To Consider

These contacts are verified in Near Directory, but they are not yet part of the active Outreach CRM pipeline.

Contact	LinkedIn	Organization	Tier	Why Next	Suggested Action
David Norris	LinkedIn	NEAR Foundation	Tier 3	Finance, treasury transparency, and sustainability framing	Follow later; contact only with a finance-specific question
Marc Goldich	LinkedIn	Proximity Labs	Tier 3	Legal / RWA / DeFi framing	Hold until a legal or RWA-specific question is clear
Alex Shevchenko	LinkedIn	Aurora Labs / Defuse Labs	Tier 3	NEAR Intents, cross-chain UX, and Aurora context	Follow only if chain abstraction becomes relevant
Declan Hannon	LinkedIn	Aurora Labs	Tier 3	Aurora infrastructure and EVM-compatible paths	Revisit if AgriPartners needs Aurora or EVM compatibility
Nate Geier	LinkedIn	Bitte Protocol	Tier 3	AI agents and transaction tooling	Monitor; contact only with an agentic workflow angle

Usage

1. Open the LinkedIn link. 2. Take the next action. 3. Update `outreach-crm.md` after the action. 4. If profile facts changed, update Near Directory and `verification-log.md`.
